The State of Delaware is required to ensure that the fiscal records at the nursing care facilities are retained and properly support the cost report, or the financial report showing the cost and charges related to Medicaid activities, submitted to the Medicaid Agency. These costs must be compliant with federal and state regulations. Under the Delaware Medicaid State Plan, the state is required to examine a sample of facilities located within the state to ensure the facilities' cost reports and nursing wage surveys are compliant with federal and state requirements.
