*Fiscal Years Ended June 30, 2016 and 2015*

Report Issued: December 21, 2016

## **Background**

### **Municipal Street Aid Fund (MSAF)**<sup>1</sup>

The State Legislature annually appropriates a portion of the Delaware Transportation Trust Fund, within the Capital Improvement Program, in an amount as appropriated in the annual Bond and Capital Improvement Act, currently \$5 million, to be distributed by the State Treasurer to each of the 57 municipalities. The money is to be used for the maintenance of municipality-maintained streets as prescribed in 30 Del. C. §5165, or as amended by epilogue language. Distribution is based on two factors:

- Population certified by the U.S. Bureau of Census, Delaware Population Consortium, or a prescribed enumeration (40% of distribution)
- Mileage as verified by the Data Collection Unit (60% of distribution)

30 Del. C. §5165 also requires annual reporting by the municipalities to the State Treasurer and the Department of Transportation. The annual reporting requirements have been incorporated into the agreed-upon procedures performed during this engagement.

### **State Aid to Local Law Enforcement (SALLE) Grant Fund**<sup>2</sup>

Since 1969, the Delaware Legislature has allocated funds through the Grant-in-Aid Bill annually to aid local law enforcement agencies and improve their effectiveness. This program has been named the State Aid to Local Law Enforcement Program, otherwise known as SALLE.

All related SALLE funds are appropriated to the Department of Safety and Homeland Security (DSHS), which is then responsible for tracking the funds in the State's accounting system and distributing the funds to the municipalities.

A police department receiving SALLE money must be in compliance with the Delaware Police Training Program described in 11 Del. C. Chapter 84. Annually, officers must attend 16 hours of additional training and obtain firearms recertification three times per year, including two day shoots and one night shoot. Further, all officers in the State shall successfully complete a First Responder Course every two years and be certified in cardiopulmonary resuscitation (CPR) and automated external defibrillator (AED). Upon completion of basic training, the officer receives a certificate from the Delaware Council on Police Training with a Council on Police Training number.

A SALLE Manual has been developed that promulgates the various requirements and the application process a municipality must follow in order to qualify for SALLE funding. In addition, the SALLE Manual requires the development of an eight-person committee who are responsible for the review and approval of all applications for SALLE funds by the individual municipalities. Municipalities may apply for grant money between July 31 and January 31 of each fiscal year. Funds awarded in one fiscal year can be expended beyond the year of award; however, the SALLE Administrator must be notified of unexpended balances carried over to subsequent years.

<sup>2</sup> *SALLE Manual, Chapter I and Chapter V*

A program administrator is also responsible for collecting information from the municipalities to ensure that they are meeting certain criteria. The various requirements contained within the SALLE Manual have been incorporated into the agreed-upon procedures performed during this engagement.

### **Emergency Illegal Drug Enforcement (EIDE) Grant Fund**<sup>3</sup>

Through the Grant-in-Aid Bill, the Delaware Legislature has also allocated funds to the SALLE Committee to be used for EIDE programs. Funds may be used for drug-related enforcement or the purchase of drug-enforcement equipment.

A police department receiving EIDE money must be in compliance with the Delaware Police Training Program described in 11 Del. C. Chapter 84, as mentioned in the SALLE background section.

All EIDE funds are approved and distributed in the same manner as SALLE funds. Additionally, an EIDE Manual has been developed similar to that of the SALLE Manual. Municipalities may apply for EIDE grant money between July 31 and January 31 of each fiscal year. Funds awarded in one fiscal year can be expended beyond the year of award; however, the EIDE Administrator must be notified of unexpended balances carried over to subsequent years.

A program administrator is also responsible for collecting information from the municipalities to ensure that they are meeting certain criteria. The various requirements contained within the EIDE Manual have been incorporated into the agreed-upon procedures performed during this engagement.

## Independent Accountants' Report on Applying Agreed-Upon Procedures

Frankie Dale Rife  
Mayor  
Town of Wyoming  
1 North Railroad Avenue  
Wyoming, Delaware 19934

The Honorable R. Thomas Wagner, Jr.  
State Auditor  
Townsend Building, Suite 1  
401 Federal Street  
Dover, Delaware 19901

We have performed the procedures enumerated below, which were agreed to by the Town of Wyoming (the Town) and the State of Delaware, Office of Auditor of Accounts (AOA) solely to assist you in evaluating compliance with the Delaware Code, the State Aid to Local Law Enforcement Fund Manual, and the Emergency Illegal Drug Enforcement Fund Manual. Management is responsible for the Town's compliance with those requirements for the Fiscal Years Ended June 30, 2015 and 2016 (Fiscal Years 2015 and 2016, respectively).

This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and *Government Auditing Standards*, issued by the Comptroller General of the United States. The sufficiency of the procedures described below is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings were as follows:

### **Municipal Street Aid Funds (MSAF)**

- 1. Ascertain if the municipality maintains a separate bank account designated as MSAF [30 Del. C. §5165(a)].**

**Results:** We verified that the Town currently has one interest-bearing checking account that is designated as MSAF. We obtained copies of the bank statements designated as MSAF without exception.

- 2. Verify that the municipality furnished evidence to the Office of the State Treasurer that the municipal employees authorized to expend MSAF are bonded in an amount as may be required by the charter of the municipality [30 Del. C. §5165(b)(1)].**

**Results:** The Town Charter requires the Town Treasurer and Collector of Taxes/Town Finance Clerk to be bonded in an amount of \$30,000 in Sections 14.6 and 14.7 of the Town Charter, respectively. Sections 14.6 and 14.7 of the Town Charter also state that the two positions are not

required to submit a bond to the Town if the Town has a Public Employee Bond with surety in the amount of \$1,000,000 that covers these positions. The Town does have a Public Employee Bond in place that meets the requirements of the Town Charter for Fiscal Years 2015 and 2016. However, the Town did not provide appropriate documentation of this bond to the Office of the State Treasurer.

3. **Obtain evidence that the municipality submitted an annual expenditure report to the Office of the State Treasurer no later than October 1 that reflected the expenditures of MSAF for the period under review [30 Del. C. §5165(b)(2)].**

**Results:** We obtained copies of the annual expenditure reports for Fiscal Years 2015 and 2016 that were submitted to the Office of the State Treasurer by the Town. The report for Fiscal Year 2015 was submitted prior to October 1. The report for Fiscal Year 2016 was submitted on October 6, 2016. We identified variances between the annual expenditure reports and the MSAF expenditure for the period under review. See detail of those variances below:

Column of Schedule	Amount Reported in Schedule Prepared by Town	Amount Supported by Town Records (Amount That Should Have Been Reported)	Variance (Under) Over Stated
2015	\$26,069	\$28,320	\$(2,251)
2016	29,207	27,193	2,014

The primary cause of the variances above is a June 30, 2015 expenditure to Delmarva Power for \$2,250 that was included in the Fiscal Year 2016 annual expenditure report. The correct MSAF expenditures for Fiscal Year 2015 and 2016 are reflected in the *Municipal Street Aid Fund Expenditures* schedules on pages 11 and 10, respectively.

4. **Obtain a schedule prepared by the municipality of all MSAF expenditures, including the cancelled checks and supporting documentation for the engagement period, to ensure that an amount not exceeding 30% of the annual grant was used for the following:**
  - a. **Construction, installation, repair, maintenance, replacement of water and sewer systems.**
  - b. **Preparation or revision of comprehensive plans for urban renewal.**
  - c. **Payment of principal and interest on any bonds issued for purpose described in a. above [30 Del. C. §5165(a)(1)].**

**Results:** We obtained a schedule prepared by the municipality of all MSAF expenditures for Fiscal Years 2015 and 2016. The Town did not expend MSAF for any of the above categories during Fiscal Years 2015 and 2016.

5. **In addition to expenditures authorized in the step above, review 10% (but at minimum 1) of cancelled checks (using a random selection method) and trace them to the supporting documentation to determine that they were restricted to the following categories:**

- a. Street improvements.
- b. Lighting of streets and all expenses related thereto.
- c. Payment of principal and interest on any bonds issued for purpose described in a. above [30 Del. C. §5165(a)(2)].

**Inspect the internal records maintained by the municipality and supporting documentation to determine whether expenditures out of the MSAF account were paid timely in accordance with the State of Delaware *Budget and Accounting Manual*.**

*Results:* We reviewed two cancelled checks for \$4,521 from a population of 13 transactions totaling \$28,320 for Fiscal Year 2015. We reviewed two cancelled checks for \$4,557 from a population of 12 transactions totaling \$27,193 for Fiscal Year 2016. We traced the cancelled checks to the supporting documentation and determined that they were restricted to the categories noted above. We inspected the internal records maintained by the Town and supporting documentation noting that expenditures out of the MSAF account were made within the grant period and paid timely in accordance with the State of Delaware *Budget and Accounting Manual*.

6. **Review the bid process to determine if street improvement contracts were awarded in accordance with 29 Del. C. ch. 69 and 30 Del. C. §5165(b)(3).**

*Results:* This procedure is not applicable. The Town did not award any MSA-funded street improvement contracts subject to the bid process included in 29 Del. C. ch. 69 and 30 Del. C. §5165(b)(3) during Fiscal Years 2015 and 2016.

7. **Request the MSAF bank statement to determine if any excess funds were invested in short-term investments, such as government securities, or deposited in a bank or savings and loan, interest-bearing account, or agency of the U.S. government. If so, determine that the interest earned was expended in an approved program category [30 Del. C. §5165(c)].**

*Results:* We obtained MSAF bank statements for Fiscal Years 2015 and 2016. In Fiscal Year 2015, \$2 was earned in interest income. In Fiscal Year 2016, \$0 was earned in interest income. Interest earned was expended in approved program categories.

8. **Obtain from the Department of Transportation (DOT) a copy of the affidavit signed by the Mayor, City Manager, or President of the Council and ensure the affidavit is submitted to the DOT no later than May 15. Review supporting documentation maintained by the municipality and agree to the population and street data reported [30 Del. C. §5165(b)(4)].**

*Results:* We obtained copies of the affidavits signed by the Town from the DOT for Fiscal Years 2015 and 2016. The affidavit for Fiscal Year 2015 was submitted to the DOT on May 20, 2014. The affidavit for Fiscal Year 2016 was submitted to the DOT prior to May 15. The Town did not maintain supporting documentation for population and street data reported.

9. **Obtain the DOT's allocation of MSAF. Recalculate the municipality's share of funds to verify the accuracy of the computation [30 Del. C. §5163].**

*Results:* We obtained the DOT's allocation of MSAF. We recalculated the municipality's share of funds and verified the accuracy of the computation. We found no exceptions as a result of applying this procedure for Fiscal Years 2015 and 2016.

**State Aid to Local Law Enforcement (SALLE) Funds**

1. Obtain from the municipality a schedule of SALLE grants received or expended during the two fiscal years under review. The schedule should detail each grant by year of award and include any amounts received, expended, and remaining during each fiscal year under review, to the extent that time has passed.

**Results:** We obtained from the Town a schedule of SALLE grants received and expended during Fiscal Years 2015 and 2016. We identified several variances between the schedule prepared by the Town and the supporting records of the Town for both fiscal years. See the detail of those variances below:

**Fiscal Year 2015**

Column of Schedule	Amount Reported in Schedule Prepared by Town	Amount Supported by Town Records (Amount That Should Have Been Reported)	Variance (Under) Over Stated
Expended During FY15	\$3,563	\$3,353	\$ 210
Remaining	102	312	(210)

**Fiscal Year 2016**

Column of Schedule	Amount Reported in Schedule Prepared by Town	Amount Supported by Town Records (Amount That Should Have Been Reported)	Variance (Under) Over Stated
Received	\$3,731	\$7,290	\$(3,559)
Approved Grant Transfers	102	106	(4)
Previously Expended	-	3,353	(3,353)
Expended During FY16	1,662	1,457	(205)
Remaining	2,171	2,586	(415)

The SALLE schedules included herein reflect the correct Received, Approved Grant Transfers, Previously Expended, Expended During FY, and Remaining amounts for each fiscal year.

2. For any new police officers employed during the two fiscal years under review, inspect the personnel records and document that the officer has a certificate of completion from a school certified by the Council on Police Training [11 Del. C. §8405].

**Results:** The Town employed one new police officer during Fiscal Years 2015 and 2016. The personnel records of the newly hired police officer contained a certificate of completion from a school certified by the Council on Police Training.

3. **Inspect 10%, or a minimum of five, of the personnel records of all police officers employed during the two fiscal years under review and document the training courses attended by those officers during that period were provided by a school certified by the Council on Police Training [11 Del. C. §8405].**

*Results:* The Town employed five police officers during the two fiscal years under review. Therefore, we selected 100% of the Town's officers for testing. For each selected officer, we obtained listings of all successfully completed and approved police training and education courses. We found no exceptions as a result of applying this procedure for Fiscal Years 2015 and 2016.

4. **Review appropriate payroll records to determine if all police salaries paid during the two fiscal years under review are equal to or above the minimum required salary [SALLE Manual, Chapter II, 3].**

*Results:* We reviewed copies of payroll data and compared that to the "Statement of Sworn Officers" document for Fiscal Years 2015 and 2016, which provided each officer's annual salary, to determine if all police salaries paid during each fiscal year are equal to or above the minimum required salary. It was determined that each officer was paid at least the minimum salary of \$28,000. We found no exceptions as a result of applying this procedure for Fiscal Years 2015 and 2016.

5. **Obtain a copy of the "SALLE Statement of Sworn Officers" document for the two fiscal years under review and agree the number of full-time, sworn officers who have been certified and were on the municipality's payroll as of July 1 [SALLE Manual, Chapter III, 2].**

*Results:* We obtained a copy of the "Statement of Sworn Officers" document for Fiscal Years 2015 and 2016 and agreed the number of full-time, sworn officers who have been certified and were on the Town's payroll as of July 1 without exception.

6. **For all SALLE funds expended during the two fiscal years under review, select ten (or all if less than ten) expenditure transactions and supporting documentation for each fiscal year from the cancelled checks to verify that funds expended were not used for prohibited items. Also review all expenditure transactions and supporting documentation over \$5,000. [Guidance for allowable and unallowable expenditures can be found in Chapter IV of the SALLE Manual.] Determine if expenditures were made timely in accordance with the State of Delaware *Budget and Accounting Manual*.**

*Results:* We reviewed ten expenditures for \$2,821 from a population of 13 transactions totaling \$3,353 for Fiscal Year 2015. We reviewed seven expenditures for \$1,457 (100% of the population) for Fiscal Year 2016. We verified that the selected transactions were not used for prohibited items. No individual transactions over \$5,000 were noted during our procedures. All expenditure transactions tested for the two fiscal years under review were made timely in accordance with the State of Delaware *Budget and Accounting Manual*.

7. **Verify that all SALLE grants fully expended during the two fiscal years under review submitted a "Final Report Form" to the Department of Safety and Homeland Security (DSHS) [SALLE Manual, Chapter III, 9].**

**Results:** We verified that a “Final Report Form” was submitted to the DSHS for all SALLE grants fully expended during the two fiscal years under review. The Final Report Form submitted in Fiscal Years 2015 and 2016 related to grant number S-19-15.

8. **Ascertain that, if the SALLE funds were used to match federal funds, the federal funds to be matched were identified at the time the SALLE grant was submitted. A letter must be submitted to the Grant Administrator requesting permission to match a federal program prior to the SALLE funds being used [SALLE Manual, Chapter V, 6].**

**Results:** This procedure is not applicable. The Town did not use SALLE funds to match federal funds during Fiscal Years 2015 and 2016.

9. **If SALLE funds from the prior fiscal year were not expended, obtain support from the municipality that the Grant Administrator was notified that the funds would be carried over to the next fiscal year(s) [SALLE Manual, Chapter V, 7].**

**Results:** For all SALLE funds not expended from the prior fiscal year, we obtained copies of letters from the Grant Administrator at the DSHS approving the carryover of funds to the next fiscal year. We found no exceptions as a result of applying this procedure for Fiscal Years 2015 and 2016.

**Emergency Illegal Drug Enforcement (EIDE) Funds**

1. **Obtain from the municipality a schedule of EIDE grants received or expended during the two fiscal years under review. The schedule should detail each grant by year of award and include any amounts received, expended, and remaining during each fiscal year under review, to the extent that time has passed.**

**Results:** We obtained from the Town a schedule of SALLE grants received and expended during Fiscal Years 2015 and 2016. We identified several variances between the schedule prepared by the Town and the supporting records of the Town for both fiscal years. See the detail of those variances below:

**Fiscal Year 2015**

<b>Column of Schedule</b>	<b>Amount Reported in Schedule Prepared by Town</b>	<b>Amount Supported by Town Records (Amount That Should Have Been Reported)</b>	<b>Variance (Under) Over Stated</b>
Received	\$3,286	\$6,582	\$(3,296)
Approved Grant Transfers	805	1,179	(374)
Previously Expended	-	2,437	(2,437)
Expended During FY15	3,801	3,881	(80)
Remaining	291	1,443	(1,152)

## Fiscal Year 2016

Column of Schedule	Amount Reported in Schedule Prepared by Town	Amount Supported by Town Records (Amount That Should Have Been Reported)	Variance (Under) Over Stated
Received	\$3,374	\$9,956	\$(6,582)
Approved Grant Transfers	291	1,470	(1,179)
Previously Expended	-	6,318	(6,318)
Expended During FY16	1,510	1,578	(68)
Remaining	2,155	3,530	(1,375)

The EIDE schedules included herein reflect the correct Received, Approved Grant Transfers, Previously Expended, Expended During FY, and Remaining amounts for each fiscal year.

- For any new police officers employed during the two fiscal years under review, inspect the personnel records, and document that the officer has a certificate of completion from a school certified by the Council on Police Training [11 Del. C. §8405].

**Results:** The Town employed one new police officer during Fiscal Years 2015 and 2016. The personnel records of the newly hired police officer contained a certificate of completion from a school certified by the Council on Police Training.

- Inspect 10%, or a minimum of five, of the personnel records of all police officers employed during the two fiscal years under review and document the training courses attended by those officers during that period were provided by a school certified by the Council on Police Training [11 Del. C. §8405].

**Results:** The Town employed five police officers during the two fiscal years under review. Therefore, we selected 100% of the Town's officers for testing. For each selected officer, we obtained listings of all successfully completed and approved police training and education courses. We found no exceptions as a result of applying this procedure for Fiscal Years 2015 and 2016.

- Review appropriate payroll records to determine if all police salaries paid during the two fiscal years under review are equal to or above the minimum required salary [EIDE Manual, Chapter II, 3].

**Results:** We reviewed copies of payroll data and compared that to the "Statement of Sworn Officers" document for Fiscal Years 2015 and 2016, which provided each officer's annual salary, to determine if all police salaries paid during each fiscal year are equal to or above the minimum required salary. It was determined that each officer was paid at least the minimum salary of \$28,000. We found no exceptions as a result of applying this procedure for Fiscal Years 2015 and 2016.

- Obtain a copy of the "EIDE Statement of Sworn Officers" document for the two fiscal years under review and agree the number of full-time, sworn officers who have been certified and were on the municipality's payroll as of July 1 [EIDE Manual, Chapter III, 2].

**Results:** We obtained a copy of the “Statement of Sworn Officers” document for Fiscal Years 2015 and 2016 and agreed the number of full-time, sworn officers who have been certified and were on the Town’s payroll as of July 1 without exception.

- 6. For all EIDE funds expended during the two fiscal years under review, select ten (or all if less than ten) expenditure transactions and supporting documentation for each fiscal year from the cancelled checks to verify that funds expended were not used for prohibited items. Also review all expenditure transactions and supporting documentation over \$5,000. [Guidance for allowable and unallowable expenditures can be found in Chapter IV of the EIDE Manual.] Determine if expenditures were made timely in accordance with the State of Delaware Budget and Accounting Manual.**

**Results:** We reviewed ten expenditures for \$3,101 from a population of 18 transactions totaling \$3,881 for Fiscal Year 2015. We reviewed ten expenditures for \$1,196 from a population of 13 transactions totaling \$1,578 for Fiscal Year 2016. We verified that the selected transactions were not used for prohibited items. No individual transactions over \$5,000 were noted during our procedures. All expenditure transactions tested for the two fiscal years under review were made timely in accordance with the State of Delaware *Budget and Accounting Manual*.

- 7. Verify that all EIDE grants fully expended during the two fiscal years under review submitted a “Final Report Form” to DSHS [EIDE Manual, Chapter III, 10].**

**Results:** We verified that a “Final Report Form” was submitted to the DSHS for all EIDE grants fully expended during the two fiscal years under review. The Final Report Form submitted in Fiscal Years 2015 and 2016 related to grant number D-20-15.

- 8. Ascertain that, if the EIDE funds were used to match federal funds, the match did not exceed 25% of the total grant [EIDE Manual, Chapter IV, 2].**

**Results:** This procedure is not applicable. The Town did not use EIDE funds to match federal funds during Fiscal Years 2015 and 2016.

- 9. If EIDE funds from the prior fiscal year were not expended, obtain support from the municipality that the Grant Administrator was notified that the funds would be carried over to the next fiscal year(s) [EIDE Manual, Chapter V, 4].**

**Results:** For all EIDE funds not expended from the prior fiscal year, we obtained copies of letters from the Grant Administrator at the DSHS approving the carryover of funds to the next fiscal year. We noted that the Town notified the Grant Administrator that \$805 was to be carried over from grant D-24-14; however, the grant had a total remaining balance of \$925. As a result, grant D-24-14 has a remaining balance of \$120 after the carryover (see page 13).

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on compliance with the specified criteria in the first paragraph. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Town's management and council members, the Department of Safety and Homeland Security, the Office of the State Treasurer, the Department of Transportation, and the Office of Auditor of Accounts and is not intended to be, and should not be, used by anyone other than these specified parties. However, under 29 Del. C., §10002(1), this report is a public record and its distribution is not limited. This report, as required by statute, was provided to the Office of the Governor, Office of the Controller General, Office of the Attorney General, and the Office of Management and Budget.

AOA retrieved the data related to MSAF from the Delaware Department of Transportation – Projects webpage (<http://deldot.gov/information/projects/msa/index/.shtml>.) DSHS provided the data related to the SALLE and EIDE funds, stating that there may be rare instances where the municipality did not apply for funds or where the funds were not disbursed in total. No additional work was performed using this table, outside of the previously stated agreed-upon procedures.
