We have performed the procedures enumerated below, which were agreed to by the Office of State Treasurer. The management of the Office of the State Treasurer is responsible for the State of Delaware’s (the State’s) September 30, 2018 bank reconciliations. The sufficiency of these procedures is solely the responsibility of the Office of the State Treasurer. Consequently, we make no representations regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

Procedure 1: Compare the list of accounts generated from the First State Financial (FSF) Activity by Balance Sheet Account (DGL046) to the bank accounts reconciled by the Office of the State Treasurer and accounts included as part of each quarter’s ending cash balance in FSF cash accounts. Report any discrepancies.

Results: AOA compared the list of accounts generated from FSF’s Activity by Balance Sheet Account report to the bank accounts reconciled by the Office of the State Treasurer. No discrepancies were noted.

Procedure 2: For the bank accounts reconciled by the Office of the State Treasurer, obtain the following:

a. The September 30, 2018 bank reconciliations prepared by the Office of the State Treasurer; and

Result: AOA obtained the September 30, 2018 bank reconciliations from the Office of the State Treasurer.

b. The September 30, 2018 general ledger from the Office of the State Treasurer.
Results: AOA obtained the September 30, 2018 general ledger from the Office of the State Treasurer.

Procedure 3: Perform the following procedures:

a. Obtain bank confirmations directly from each bank of the cash on deposit as of September 30, 2018;

Results: AOA obtained bank confirmations directly from each bank of the cash on deposit as of September 30, 2018;

b. Compare the balance confirmed by the bank to the amount shown on the respective bank reconciliation;

Results: AOA compared the confirmed bank balance to the amount shown on the respective bank reconciliation without exception.

c. For the September 30th quarter reconciliation, inquire about significant reconciling items older than 30 days and greater than 0.15% ($3,105,634) of the total amount of the cash reported in the general ledger, including about the subsequent clearing of these reconciling items in the following months, when applicable;

Results: AOA inquired about the reconciling items older than 30 days and over the 0.15% threshold. The Office of the State Treasurer provided supporting documentation that the reconciling items older than 30 days and over the 0.15% threshold cleared in the subsequent period or were otherwise, adequately supported.

d. Mathematically check the bank reconciliations; and

Results: AOA mathematically checked the bank reconciliation without exception.

e. Compare the cash balance per book listed in the reconciliation to the respective general ledger account balance and report the reconciliation.

Results: The following chart compares the cash balances in the reconciliation to the respective general ledger balances as of September 30, 2018 (rounded to nearest dollar):
