Updated Fraud Reporting Information

DOVER (March 2020) –

To report suspected instances of fraud, you may dial the Auditor’s Office’s Fraud Hotline at: **1-800-55-FRAUD (1-800-553-7283)**. The Auditor’s Office now offers Delawareans the ability to report fraud by downloading our fraud app. Using a mobile device’s web browser, visit: [fraud.delaware.gov](http://fraud.delaware.gov) to go directly to the Auditor Office’s new platform. Users will be asked to add an icon to your Apple or Android mobile device’s homepage. With the icon on the homepage, it works just like a mobile app, without using any storage on your phone and can be used anytime.

Fraud may also be reported by going to the fraud referral form on our website: [https://auditor.delaware.gov/report-fraud-abuse/](https://auditor.delaware.gov/report-fraud-abuse/).

And of course, fraud can be reported via mail at: **The Office of Auditor of Accounts - 401 Federal Street, Dover, Delaware 19901.**

As always, you may report fraud anonymously and all tips are confidential.
