State Auditor McGuiness Releases the Delaware Volunteer Fire Service Annual Report Following Presentation at The Delaware Volunteer Fireman's Association Convention

DOVER (June 20, 2019) – The Delaware Volunteer Fire Service 2019 Annual Report was released today following Delaware State Auditor Kathy McGuiness’ presentation at the Delaware Volunteer Fireman’s Association Convention held in Dover, Delaware.

The report shows it would cost over $212 million to replace Delaware’s volunteer fire companies with an employed statewide fire service, and property taxes would increase $9.01 per $1,000 of assessed property value. To view the report: click here.
